

Tozai Games Bringing a Shooting Legend to the PlayStation®3 with R-Type™ Dimensions

R-Type and R-Type II together on the PlayStation® Network with new HD graphics, music, and features

Bellevue, Wash. — May 8, 2014 — Worldwide publisher of video games and electronic entertainment, Tozai Games, today announced that *R-Type™ Dimensions*, will be coming to the PlayStation® Network for the PlayStation®3 computer entertainment system on May 20 in North America and May 21 across supported European territories.

Initially published by Irem Software Engineering, *R-Type Dimensions* includes both arcade classics, R-Type and R-Type II. Each title can be played in classic mode, or with enhanced 2D/3D graphics, which includes gorgeous hi-res graphics, remastered audio, and new features exclusive to the PlayStation®3 system.

R-Type Dimensions Key Features:

- Two complete games — includes all 8 original R-Type levels and all 6 original R-Type II levels
- Switch between new hi-res 2D/3D graphics with revamped music, or play the classic versions with the push of a button
- Infinite Mode and Level Select — learn the levels inside and out for the perfect, 1CC runs
- Co-op Mode - 2 players can play together “couch co-op” style
- Slow motion play function — weave through bullets and enemies with ease
- Controller key configuration — change the button layout to match your play style

- Worldwide leaderboards, player statistics, and PS3 Trophies
