

R-Type™ Dimensions now Available on the PlayStation®3

Tozai Games brings new features to the legendary R-Type and R-Type II on the PlayStation®Network

Bellevue, Wash. — May 20, 2014 — Legendary shoot-em-ups never die. Their beams just grow bigger, brighter and more powerful! Tozai Games today announced that *R-Type™ Dimensions* is now available on the PlayStation®Network for the PlayStation®3 computer entertainment system in North America for \$9.99, and will be available May 21 for 9.99 Euros (or equivalent) across supported European territories.

Initially published by Irem Software Engineering, *R-Type Dimensions* includes both arcade classics, R-Type and R-Type II, and tosses players into the cockpit of the powerful R-9 Arrowhead: a powerful spaceship outfitted with offensive and defensive weaponry suited to defend space against the aggressive Bydo Empire. Both R-Type and R-Type II can be played in classic mode, or with enhanced 2D/3D graphics, which includes gorgeous hi-res graphics, remastered audio, and new features exclusive to the PlayStation®3 system.

R-Type Dimensions Key Features:

- Two complete games — includes all 8 original R-Type levels and all 6 original R-Type II levels
- Switch between new hi-res 2D/3D graphics with revamped music, or play the classic versions with the push of a button
- Infinite Mode and Level Select — learn the levels inside and out for the perfect, 1CC runs
- Co-op Mode — 2 players can play together “couch co-op” style
- Slow motion play function — weave through bullets and enemies with ease

- Controller key configuration — change the button layout to match your play style
- Worldwide leaderboards, player statistics, and PS3™ Trophies
